**V SERIES**
**MACHINE MADE**
This unique machine made wig is designed using wefts of varying hair lengths and colors to create the appearance of a natural hair flow and style. It is cool, lightweight and very comfortable to wear on a daily basis.

**M SERIES**
**MONO TOP**
The mono material has a soft feel and touch on the scalp. Each fiber is individually hand-tied into the mono top material to give the appearance of hair growing from the scalp. You can style this design with or without a part.

**L P SERIES**
**LACE FRONT/LACE SIDE PART**
A hand-tied lace front and left part, the remainder of the base is machine-made. A soft net layer over the wefts provides a natural and comfortable fit. This design offers an open cap construction in the back for better air circulation.

**F SERIES**
**LACE FRONT WITH MONO TOP**
For that natural appearance, each fiber is individually hand-tied into the lace front and mono top area to create the appearance and style you are accustomed to. The lace front allows the wig to be styled off the forehead creating the look as if the hair was growing from the scalp.

**The AnaGize Regimen**

AnaGize is conveniently prepared in three separate daily regimen kits, Bio-Acitve Serum, 2% Minoxidil for women or men and 5% Minoxidil for men. Each are prepackaged for easy in-home use and includes:

- Scalp Therapy Cleansing Treatment
- Balancing Treatment Shampoo (Sulfate Free)
- Stabilizing Body Conditioning Treatment (Sulfate Free)
- Inter-Balance Complex
